

Overview

This year is all about content! We will begin the GCSE course and content, moving quickly learning new vocabulary and implement it within the key skills learnt at KS3

Year 10 French

Term 3

This term we focus on school and school systems as well as school rules. What are your favourite subjects and why? We also touch on healthy living and well-being, discussing how to keep healthy and sports as well as smoking and unhealthy habits. We again focus on a variety of tenses.

Term 1

In this term, we discuss in further detail where we live, our local are, fun things to do and days out in our locality and weather. Furthermore, we touch on French speaking areas of the world.

Term 2

This term we focus mainly on holidays and all that they entail – travel, accommodation, eating out and shopping. We will also ensure students feel secure in their grammatical knowledge and are able to discuss holidays in a variety of tenses.
