

## Help with Job Applications and CVs

It can be difficult and worrying to work out where to start with a CV or an application as you don't really have a lot of experience or work to put on there so here are some tips to help you with it.

### CV help

- Unifrog has a CV builder: <https://www.unifrog.org/student/cv>
- Unifrog also has some great advice on how to ace your CV: <https://www.unifrog.org/student/know-how/keywords/acing-your-cv>
- A lot of the job search websites have advice and you can also upload your CV to them in some cases, Reed.co.uk has a lot of information about this as well as some example CVs <https://www.reed.co.uk/career-advice/school-leaver-cv-template/>

### Cover letters

Sometimes if you are applying for a job they will ask for a CV and a cover letter or you might want to write a speculative application to a company.

Here is some help with all of that:
