

**Overview**

In Year 10 students will explore big questions such as what is God, how do people show they follow God or don't follow God. They will also investigate philosophical questions such as what makes us human and where we came from and what culture is. They will ask philosophical questions such as does it matter where we came from and how this influences our lives.

Religious Studies

Year 10

Term 3

Where did we come from?

Year 10 explore different beliefs about where we came from through watching The Story of God. Students will look at beliefs about Creation, the Big Bang theory and different cultures around the world

Term 1

What is God?

Year 10 explore what it means to believe in God through watching The Story of God. Students will investigate belief and how faith differs and adapts to cultural understanding around the world.

Term 2

What makes us human?

Year 10 explore what it means to be human through watching The Story of Us. Students will look at forgiveness, conflict and reconciliation
